CS 290B: Project Presentation

Team:

1. Evaluate others as you would have others evaluate you: gently, respectfully, constructively.

2. For each statement below, please indicate whether that aspect of the presentation was:
   - E Exemplary
   - A Adequate
   - M Minimal
   - U Unsatisfactory

   [ ] I was persuaded that the project is worth doing.
   [ ] The key technical issues were identified clearly.
   [ ] The key architectural aspects were identified clearly, addressing each key technical issue.
   [ ] The architectural aspects and/or classes were shown to fit together cleanly.
   [ ] The English was correct. The pronunciation was correct. The speakers could be heard.
   [ ] Visual aids clarified the presentation.
   [ ] Each team member presented for approximately the same amount of time.
   [ ] The presentation finished on time and was complete.

Comments
