CS10, 09S, UCSB

H14: (Pair Programming Preparation) Total Points: 50 (printable PDF)

Accepted: on paper, in lecture (1-1:50pm) on Friday, May 13th only.
No email submission allowed.

FILL THIS OUT WITH YOUR "PAIR"—someone from the same lab section.

Name One: (2 pts)_____ UCSBNetID (2 pts) _____

Section (2 pts) Circle one: Thu 4pm Fri 10am Fri 11am Fri noon

Name Two: (2 pts)_____ UCSBNetID (2 pts) _____

Section (2 pts) Circle one: Thu 4pm Fri 10am Fri 11am Fri noon

---

1. (10 pts) Describe the main idea of pair programming.

2. (12 pts) What are three important considerations to keep in mind in order to have a successful pair programming experience? (If needed, you can view the Pair Programming Video: follow the link, or Google "Pair Programming Video).

3. (10 pts) List at least two times that you and your pair programming partner can get together between now and next Thursday at 4PM, for at least 1-2 hours, during the times that CSIL is open.

   CSIL is open Sunday - Thursday from 8am to 2am, and Friday and Saturday 8am - midnight.

   NOTE: If you cannot find any such times, you may need to switch partners—but I want to encourage you to reallly try hard to find two such times.

4. (6 pts) Please email the times you listed in item 3 to each other
   - Put "CS10 H14" in the subject line.
   - cc this email address: pconrad.ucsb@gmail.com
   - Note: that email address is a special email account set up only for the purpose of receiving this assignment---use it ONLY for this assignment. Use the email addresses on the syllabus for general email to the professor and your TAs
